The Bass, The River, and Sheila Mant

The Bass, The River, and Sheila Mant - W D Wetherell There was a summer in my life when the only creature that seemed lovelier to me than a largemouth bass was Sheila Mant I was fourteen The Mants had rented the cottage next to ours on the river; with their parties, their frantic games of softball, their constant comings and goings, they

Principles of Watershed Management

way to a common stream, river, or lake (Figure 7) A watershed can be very large (eg draining thousands of square miles to a major river or lake or the ocean), or very small, such as a 20-acre watershed that drains to a pond A small watershed that nests inside of a larger watershed is sometimes referred to as a subwatershed (Figure 8)

Solar photovoltaics for sustainable agriculture and rural ...

(cottage industry and commercial services); and communal and social services (for example, potable water, health care, education) Section 22 briefly discusses the experiences with electrification in the context of rural development Section 23 gives an overview of technical and organizational

developments in relation to PV rural electrification

How To Create & Manage Reedbeds - Sussex Wildlife Trust

river floodplains and low-lying coastal areas Two distinct reed habitats exist: Reed swamp and Reed fen (see photos, right) Reedbeds have declined drastically over the last century They are an important habitat in their own right and a number of threatened species rely directly and indirectly on them Reedbeds are one of the most
